Glow Lighting's **ELEGANCE TABLE LAMP** (\$1,400) boasts a solid crystal lamp base with "Ruby Slippers" crystal inserts and a red silk dupioni shade. *Available at Designer Lighting, Westlake Village, 818-575-9560.*

It's like a wreath for your wall all year round. The 24-inch-round **GISELLE MIRROR** (\$1,000) from Made Goods looks and feels like real coral but is man-made, so as not to disturb a delicate ecosystem. *Available at Calypso Home, Brentwood, 310-587-0703; or at [www.insideavenue.com](http://www.insideavenue.com).*

## RAH RAH FOR RED

This festive color brightens up rooms all year long.

Baker Studio's new furniture line features contemporary style and fresh pops of color, as in the **BEAU HALL CHAIR** made of solid hardwoods in red lacquer (from \$500). *Available at Cabana Home, Santa Barbara, [www.cabanahome.com](http://www.cabanahome.com).*

The Payne Street Imports **CUBE LACQUER STOOL** with a patterned eggshell finish (\$135) would look right at home in a mod space or liven up traditional rooms with its fun print. *Available at Islington Green, Westlake Village, [www.islingtongreen.com](http://www.islingtongreen.com); or at [www.paynestreetimports.com](http://www.paynestreetimports.com).*
