

WHAT'S HOT

# Style

Water buffalo bone meets malachite cabochons in **Bougainvillea's** dramatic pin closure bracelets (\$43 to \$47).

Semiprecious stones (of the real or faux variety) impart stunning style this season. Get ready to be dazzled by this swirling banded gem with an unexpected cache of luminous jewels for the home. — *Tracy Bulla*

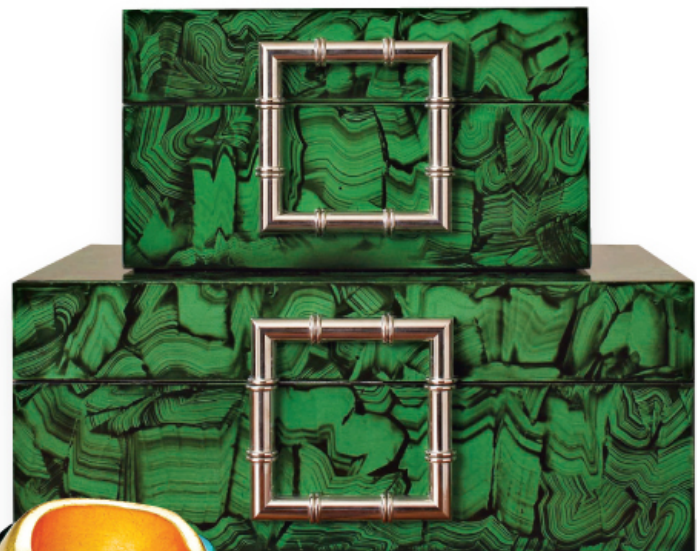

Framed entirely in malachite, the Vivian mirror from **Made Goods** opts for ornamental with stunning semiprecious stones (\$4,400).

## MALACHITE MADNESS

**Marjorie Skouras** wraps an elegant, minimalist table in shimmering malachite, reflecting an emerald glow.

Brass bamboo squares adorn **Global Views'** edgy jewelry boxes, lacquered in a faux malachite finish (\$219 to \$289).

**Eduardo Garza** crafts gold leaf and malachite in an organically rendered napkin ring, handmade to order (\$225 each).
