

WHAT'S HOT

# Style

The **Mane Lion** emblazons Greek key serveware with classic lion's heads crafted from porcelain in this chic, '70s-inspired collection.

Gilded lion medallions elevate **Abigail's** new barware collection from simply elegant to impossibly luxe.

## Lion's Share

Capture the thrill of the hunt with decadent lion-embellished designs that owe more to Venice than the African bush. — *Tracy Bulla*

A stunningly detailed lion's head punctuates the arresting Anne lamp from **Barbara Cosgrove**, finished with a charcoal suede shade.
