BATHS

1. For over 30 years Compas has been procuring the finest French limestone, rare marbles and reclaimed stone flooring for America's luxury estates. Shown is an antique white marble oval sink with marble backsplash paired with pearl handles in polished nickel and petite Ducale spout. Compas Stone. 310.854.3023, Compasstone.com.

1

2. This bold stool is made from contrasting strips of horn and bone. It's the perfect accent piece beside a free standing tub, platform bed or upholstered chair. Dawn Hearn Interior Design. 512.930.0520, Dawnhearn.com.

2

3. Stylized floral medallions from Ravenna bedding are rendered with extraordinary detail on this Jacquard-woven toweling. Made in Turkey from 600-gram-weight organic cotton, it's plush and absorbent. Pottery Barn. Potterybarn.com.

3

4. Fireclay Tile (made from recycled glass, and crushed sinks and toilets), handmade in San Jose, CA, is available in over 40 colors, 2 finishes and 17 sizes. All kitchens and bathrooms should be this lucky! TreeHouse™. 512.861.0712, Treehouseonline.com.

4

5. Experience a new level of calm that resonates deep within your body. With the Fountainhead's VibrAcoustic™ technology, soothing instrumental compositions play above the water while acoustic vibrations sweep through the water and all around you, easing away stress. Chromatherapy lights accompany the acoustics for the ultimate relaxation experience. This bath's extra-spacious 88-inch well is designed with ergonomic contours and a head pocket to comfortably support your neck. Morrison Supply Company. 512.928.1110, Morsco.com.

5

6. Temp-Touch Controls by ThermoSol are perfect for the modern bath, serving as a mini command center for maximizing the steam shower experience. ThermoSol. 800.776.0711, ThermoSol.com.
