

FEATHER FRENZY

Feathers flock to the forefront at the show, both real and re-imagined. Elegant plumage dresses up art, wallpaper and more with a dash of drama or takes flight as a delicately defined sculptural element.

BY TRACY BULLA

Made Goods re-creates the feather as an oversize decorative object, finished in cool white plaster.

Feather Palace, a decadent new wallpaper design in French Gray studded with crystals, debuts from Swarovski Elements.

Pheromone by Christopher Marley's parrot feather mosaic boasts brilliant, un-retouched specimens coming from Latin America, India and Australia in a stunning shadowbox display.
